

The application for the accreditation of the media representatives has to be sent by e-mail to pr@caprihollywood.com

The application must be accompanied by an official request written on letterhead and signed by the director or by the editor in charge of the newspaper/magazine/TV channel or other for which the accreditation is requested.

The press office reserves the right to take into account all the applications received by December 16th 2019 and will communicate either the acceptance or rejection of the application.

The accreditation will provide access to the area reserved to the media, to the screenings and to all the events for which an invitation is not required.
